tap-es-try/'tap-e-stre/n, pl-tries
The finished product which entails a grouping of simple yet complex arrangements of threads. They are created by craftsmen who set high standards. Only perfect work will be accepted. Many pieces will gain prominence and be subject to world acclaim, while others will shine in their own light. Yet, while designs may not show perspective, they are an expression of individuality. In this book, the unique and special threads were woven tenderly and meaningfully to express the individuality of the students, faculty and life that is and of itself . . . Ohio Northern University.

#### MY LIFE HAS BEEN A TAPESTRY

A Walk Down "Main Street"

If a student of Ohio Northern University were to take a walk "uptown" the fastest and quickest way would be a walk down Main Street.

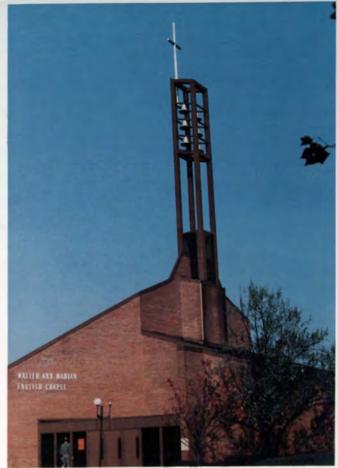

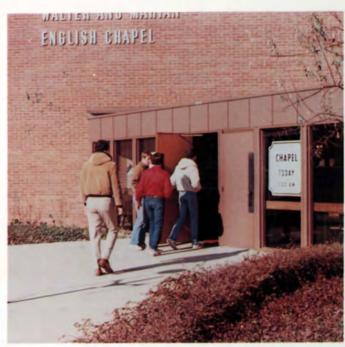

#### OF RICH AND ROYAL HUE ...

# AN EVERLASTING VISION ...

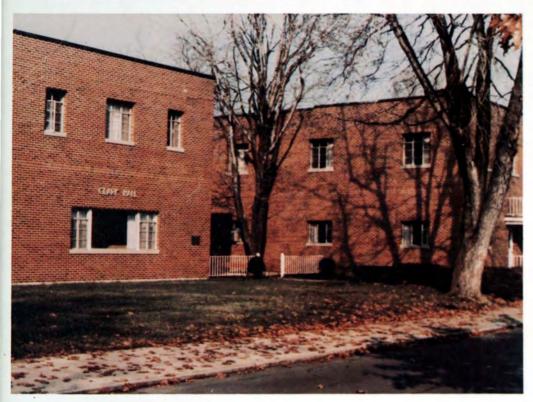

Walking to chapel, class, gym or back to the dorm to "crash", brings students to many different buildings on the campus of Northern.

Though our surroundings will change in the future, buildings such as these will be everlasting.

AN EVERCHANGING VIEW

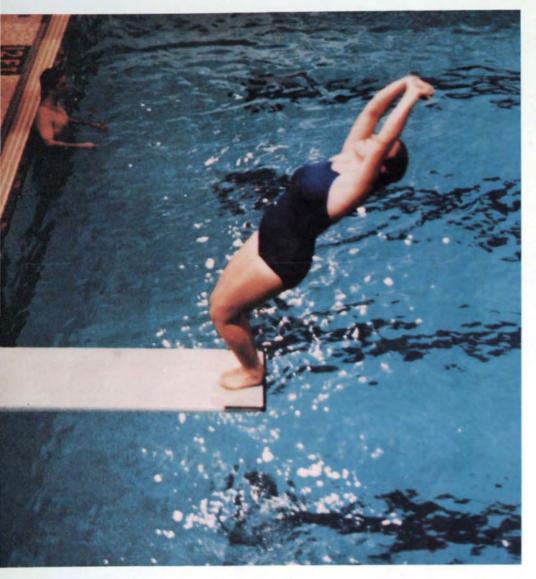

As a tapestry requires a great deal of expertise, we see here examples of the artistic abilities of our students.

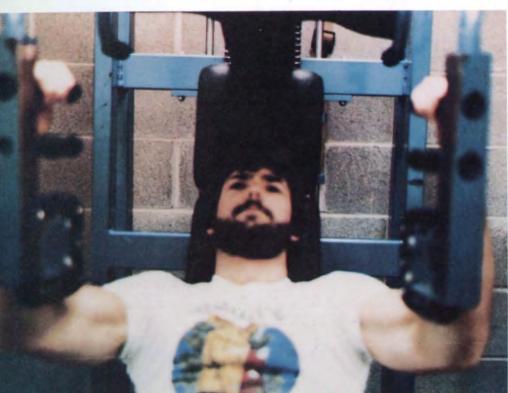

A WONDROUS WOVEN MAGIC.

### IN BITS OF BLUE AND GOLD ...

Students at Northern have different backgrounds, interests and goals, but they all contribute to Northern in their own fashion.

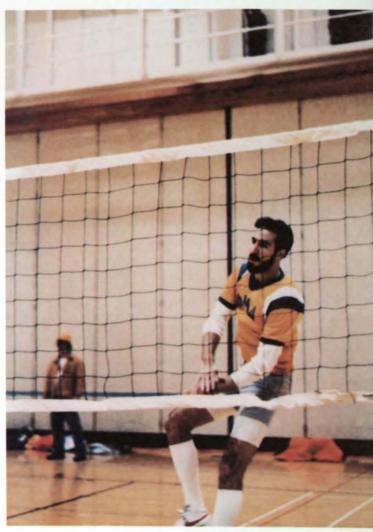

## A TAPESTRY

By contributing to Northern, students form a tapestry.

#### TO FEEL AND SEE

We are all allowed to share various feelings about Northern whether they be on a track, in a classroom, walking down campus, going to a concert, or just sitting with a group of friends.

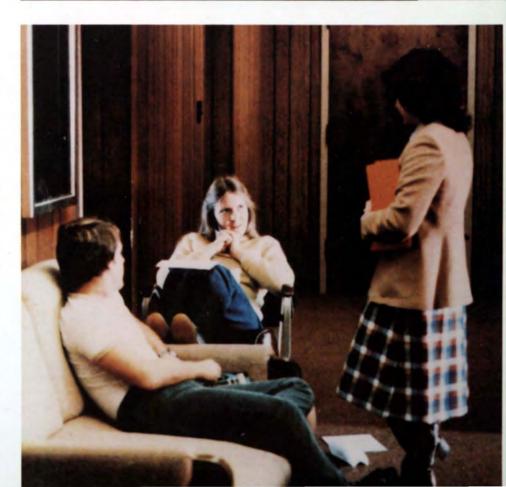

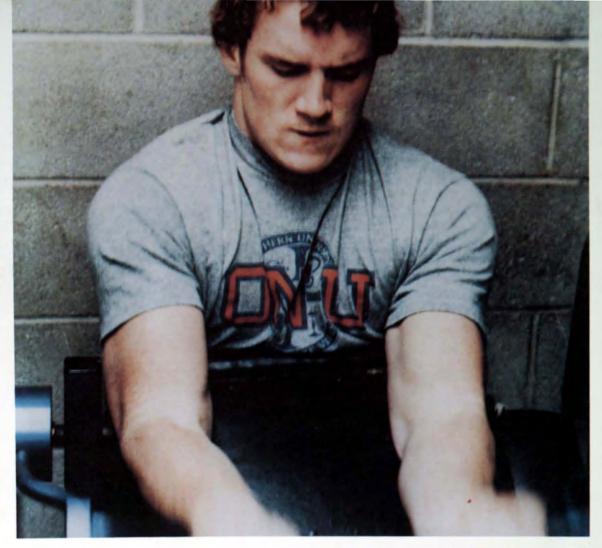

The senses each one of us possess allows us to see Northern in different ways. As friends or as a family we share the common bond of O.N.U.

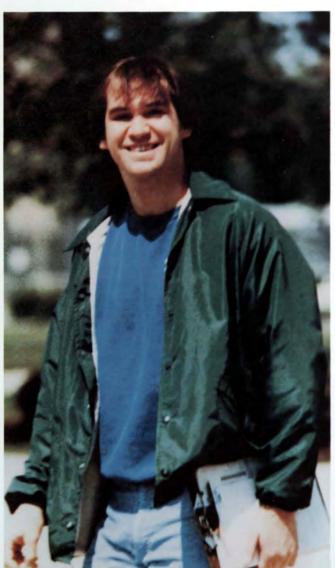

Thinking back to times like these, namely "college days", one can almost remember what they were like ... forever going to classes, working out, being with friends ... happy times.

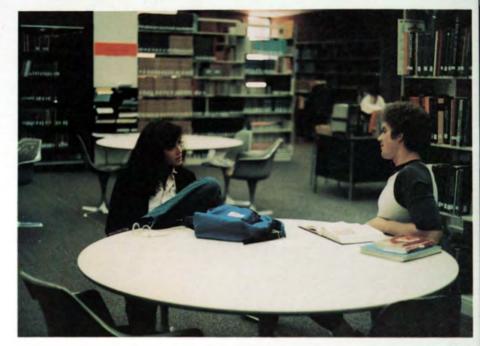

IMPOSSIBLE TO HOLD.

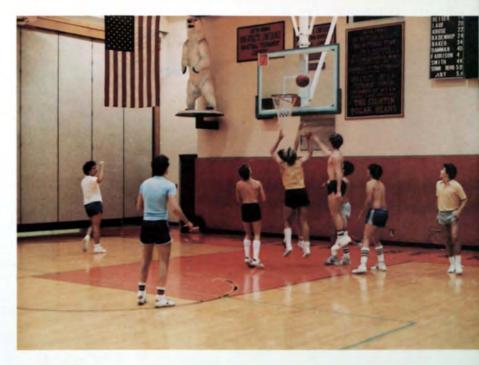

These happy times will be swept into our memories and soon, too impossible to hold.

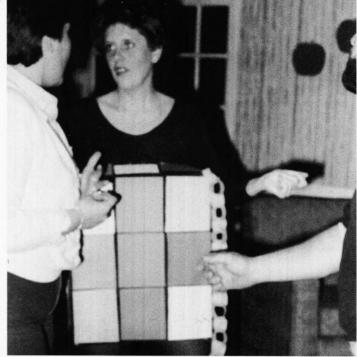

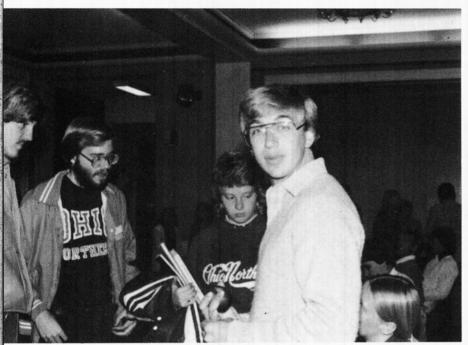

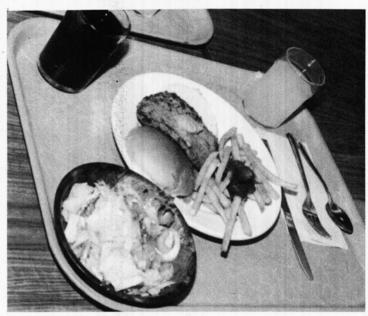

# STUDENT

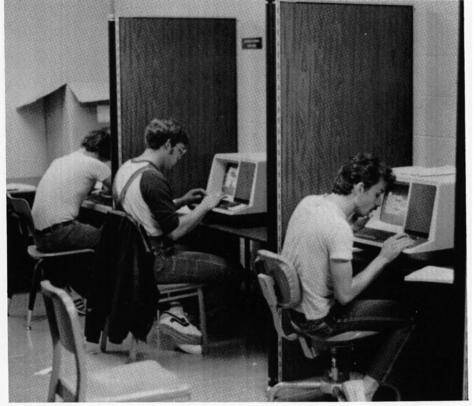

LJFE

An everlasting vision . . . Indeed, Ohio Northern University will remain as an important thread interwoven into the tapestry of each of our lives. The times of learning, enjoyment, and sadness experienced at Northern were all intertwined to create a vision of "collegelife" . . . one that will remain in each individuals thoughts forever.

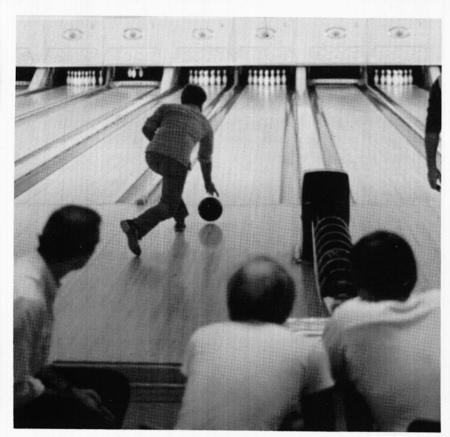

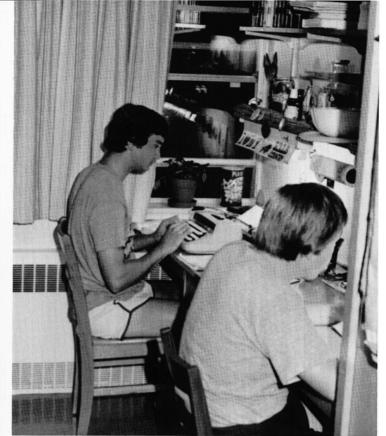

Ohio Northern University provides an education which many other universities provide, but in a different way. Because of Northern's size it is special in that it boasts a College of Arts and Sciences, College of Business, College of Pharmacy, College of Law, and a College of Engineering

Ohio Northern provides an atmosphere for learning and also an atmosphere for enjoying college life in general.

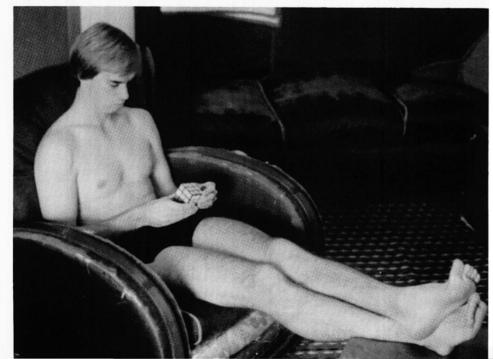

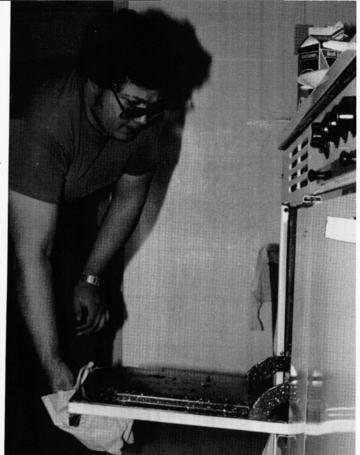

Ohio Northern University students spend their time engaged in various activities, some of which are pictured on these pages, (others of which we will not, or should we say, can not mention.)

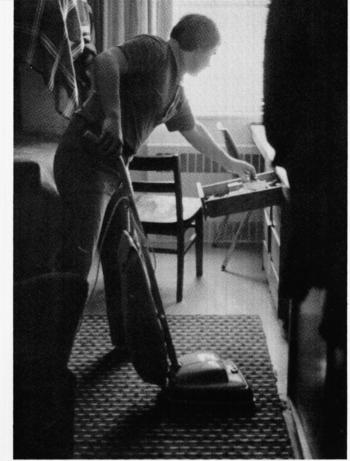

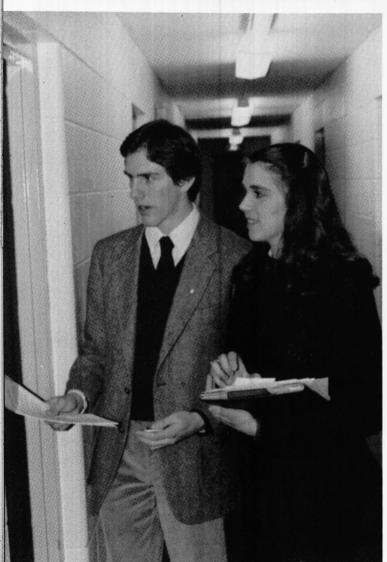

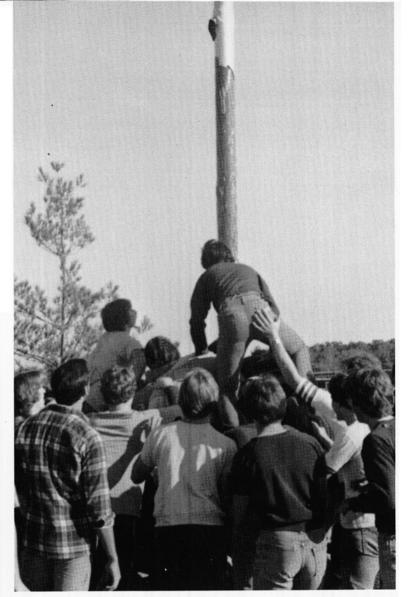

#### HOME- 8 COMING 1

Homecoming Weekend, with the theme, "The Best of Times," began with the usual activities. Pictured, are some of these traditions.

Saturday began with the Annual Homecoming parade in which Kappa Psi's captured first place in the float competition. A concert featuring comedian Steve Landesburg, a member of the cast of television show, "Barney Miller". Also featured during the night was singer/songwriter, Livingston Taylor. The concert was very enjoyable to all who attended.

Other activities included pushmobile races, with the Sig Eps capturing first place and an ice cream social on campus. The football game which highlighted the weekend, pitted the Bears against the Muskingam Muskies.

Homecoming was highlighted by the election of the King and Queen. Announced during halftime came the news that Brian Bevins of Founders Hall was elected King and Donna Napier of Zeta Tau Alpha was elected Queen. We extend our congratulations to the court as well as Brian and Donna.

# CONCERTS

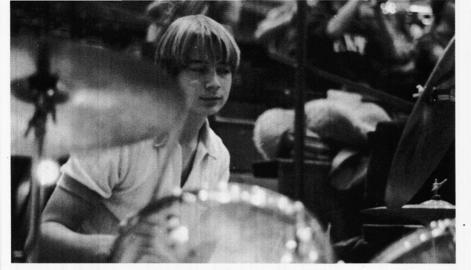

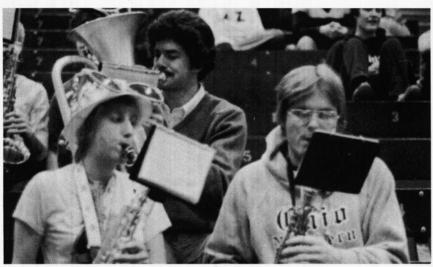

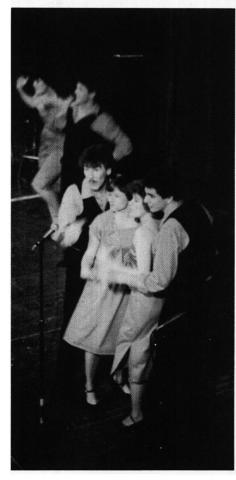

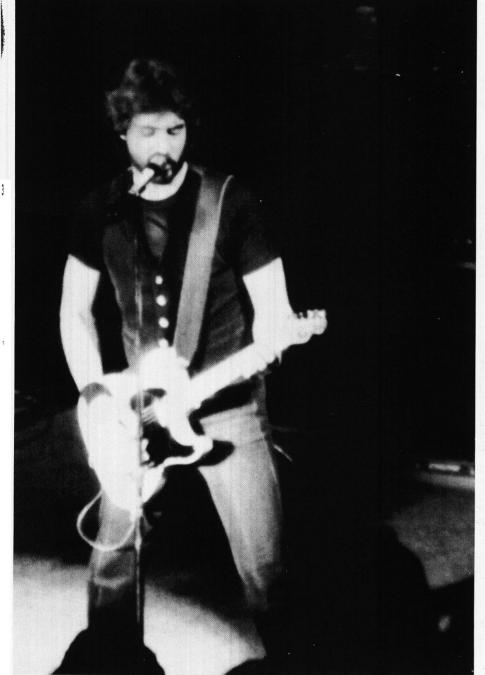

The music department is one of Ohio Northern3 most enthusiastic and diversified departments. Any student with an interest in music can become a part of the scene. There are also many exemplary groups found at Ohio Northern University. They include Vocal Ensemble, Chapel Choir, Chorus, University Singers, Concert Band, Brass Ensemble, Woodwind Ensemble, Percussion Ensemble, Orchestra, String Ensemble, Symphonic Wind Ensemble, jazz Ensemble, Pep Band, and Symphonic Band. Many of the pieces played are student composed. This allows students more availability for expressing themselves and enhancing the music program. We are all veryproud of the talent exhibited by these various groups of individuals.

### OPEN MIKE NIGHT

Once again, CAB sponsored a successful and very enjoyable "OpenMike" night for both students and parents alike. "Open Mike" night gives the students as well as the faculty members the opportunity to entertain their colleagues and to share with them their extraordinary talents. "OpenMike" night has always provided a rather diversified form of entertainment, from the serious musicians and singers to the not so serious comedians, all providing the students with an excellent form of entertainment without ever leaving campus.

INTER-NATIONAL WEEK

This year, besides giving us their gourmet menus, Saga tried to portray the "Home Sweet Home" image by adding new monogrammed china and silverware. (Nancy Reagan eat your heart out!) Yes, the everloved Saga Food, we will never forget you and our ulcers certainly won't either.

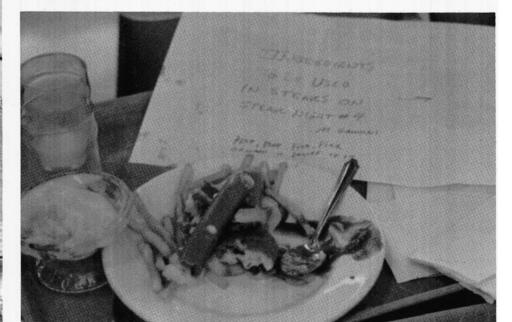

## SAGA FOOD

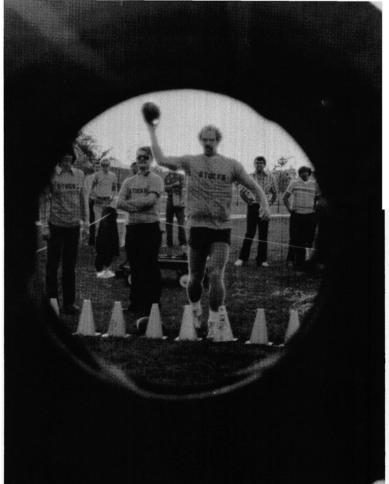

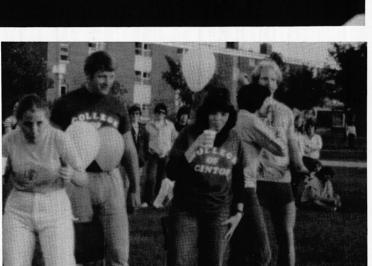

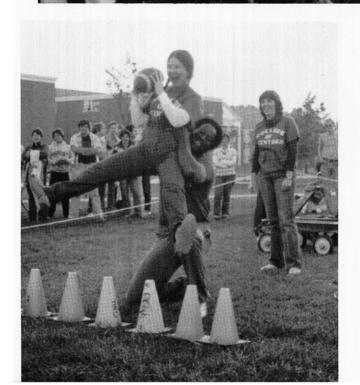

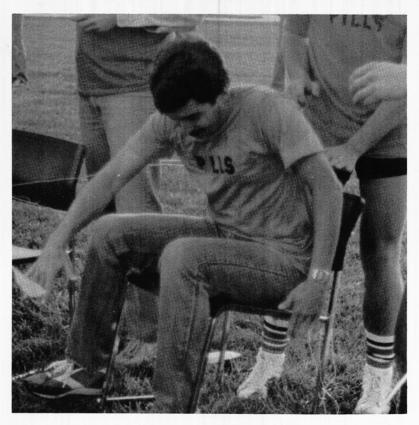

This was indeed a day to remember. The day our illustrious leaders set out to compete for the honors of the best college. After a so called "fun" day, we can't understand why our leaders were out of breath, in pain and in traction.

For the 1981 season, the volleyball team captured the best record in the Midwest. Their winloss record showed an impressive 42-7 record. Because of this, Ohio Northern was runner-up in the state to Mt. St. Joseph who placed fourth nationally.

The volleyball team lost two valuable players for the season, Joanne Roebuck and Sharon Stanton. But the team, led by senior captain Julie Zinn overcame both losses.

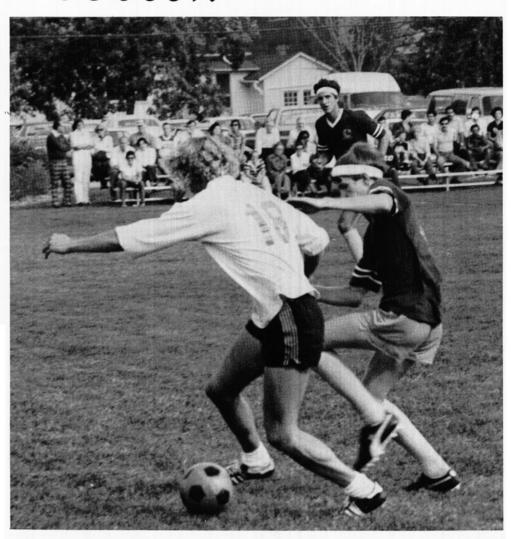

Awards for the season were given to Denise Callahan, who made the All-State Tournament team and All-Regional Team. Carol Modica was awarded by making the All-State Tournament Team.

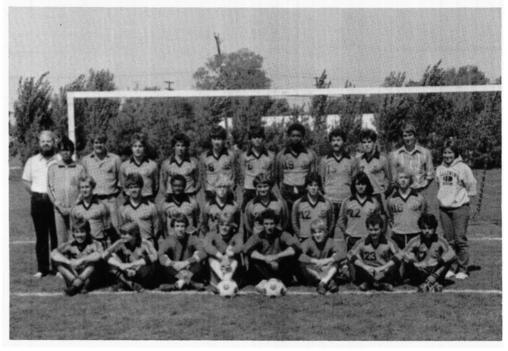

Next year with the loss of only one senior, the depth of the team should prove to give Ohio Northerna definite advantage with another successful season.

The O.N.U. soccer team broke several records during the 1981 soccer season. They claimed the most wins in one season (9), most shutouts in one season (8), lowest goals per game (31), and lowest amount of goals scored during the season (4). O.N.U. posted the best record in the Ohio Athletic Conference which was 9-2-1.

Honors given out from the league were all to O.N.U. players. B. Hanna Georges led the conference in scoring 2.1 points per game. He also broke school records for the most total points in one season. Georges was placed on 2nd tea O.A.C. and 2nd team All-Mid-West Regional team. Alfred Mendoza made 1st team All O.A.C. and 1st team All-Mid-West Regional team. Tom Fenaro broke school records with 8 shutout goals per game against him. Allowing only 4 goals against him in 12 games, Fenaro made 2nd team All O.A.C. and 2nd team All-Mid-West Regional team.

The 1981-82 season was a very competitive one for the running Polar Bears. However, the Harriers finished the season with a 9-2 dual meet record. Tony Lenhart, a senior cross country runner from Spencerville, received the ONU Runner of the year award for his outstanding performance. He was the only individual on Coach Gale Daugherty's squad to emerge from the conference race to qualify for the NCAA Great Lakes Regional race. Lenhart also received a senior merit award for his efforts this season. Other senior merit award winners honored at the fall sports banquet were Tim Tracy, Lee McClish, and Mark Reynolds.

The 1981-1982 Ohio Northern University basketball team finished with a 22-7 record and ranked 5th in the nation among Division III schools. The Bears started four seniors who all had prior starting experience. They were Stan Mories, Jay Meyer, Mark Ouwerkerk, and Lee Hood. The Bears entered their Ohio Athletic Conferenceseason with an 8-3 record and tied up their first ever regular season crown with an overall record of 20-5.

Row 3: Assistant Coach Joe Campoli, Head Coach Gale Daugherty, Paul Whitney, Dave Eyl, Stan Mories, Tony Brandewie, Scott Swartz, Manager David Allen.

A highlight of the early season was the winning of the Casaba Club Classic Christmas tournament, which was hosted by the University of the Pacific in Stockton, California. The Bears had upset wins over Portland University and Northern Arizona University. As a result, the Bears were voted-by the NABC as the Number 1 Division III team and was announced by CBS sports.

All-American hopefuls Shepherd, Campbell, Moeller and Hatfield wrestled to place third in the semi-finals. Steve Chapman, a consistently tough and aggressive wrestler battled in the semi-finals to win an overtime victory, only to lose in

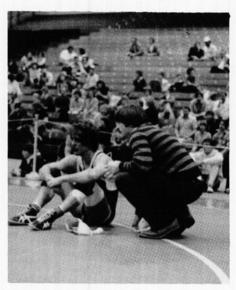

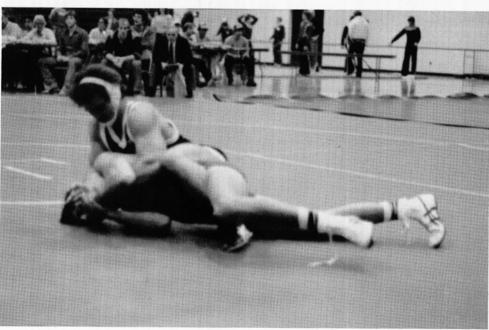

the finals. Other place winners in the tourney included freshman David Swartz, Tim Turtle and Gary Denman.

Coach West was OAC's representative coach at the seeding meeting at Nationals. In two out of the last three years, West has been named coach of the year.

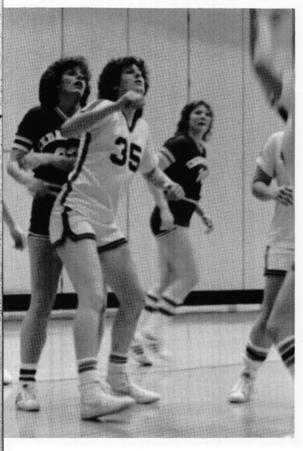

With only Denman and Moeller graduating, the Bears will hopefully be the favorites in next year's season.

With a 17-7 season record, women's basket-ball ended on a successful note. For the second consecutive year, Ohio Northern was runner-up in the state tournament to Malone College, whom they had beaten during regular season. Ohio Northern advanced to the Regional Tournament at Malone College only to be overcome by the University of Wisconsin.

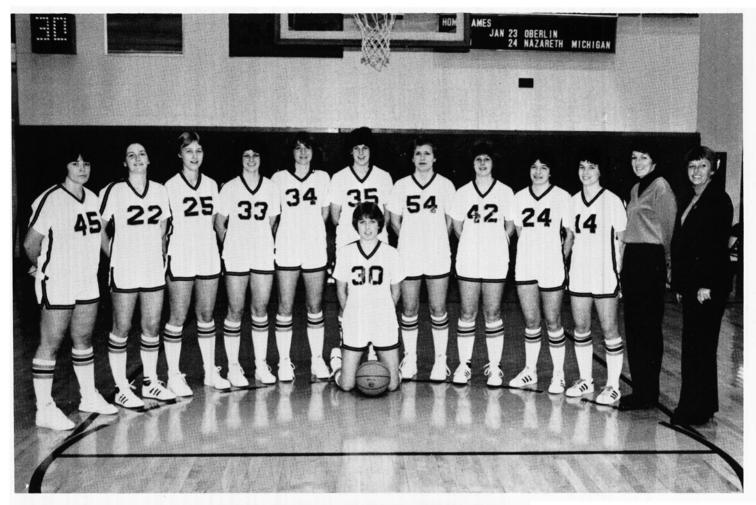

Julie Zinn, the only senior, led Northern through the season. Coach Lauth took advantage of the overall depth of her team and had to replace only one position from last season. Replacement was not difficult, because Kaye Brofford and Denise Callahan adjusted to the open position readily.

Perhaps a note of thanks should be given to the women who make the sports of Ohio Northern so exciting and enjoyable to all. These women do the best they can year in and year out without much recognition, but the members of the yearbook staff realize how important sports are to these people. To the Coaches, what can we say but thanks to your dedication to these women, ONU's sports program for women is truly fantastic.

Ohio Northern's 1982 Men's Tennis Team finished 10th place in the OAC Tennis Championships, totaling 6 points, their highest since 1979. The final season record was 2 & 6 and 0 & 6 in the OAC. The Bears showed definite improvement over the 1981 year, as they totaled many more points and had closer matches than the previous season. Graduating seniors for the Bears were: Tim Abraham, Rick Arthur, and Lee Hood. A strong freshman nucleus helped make up the team. Returning for 1982 ar Tom Hudgins, Vimal Shah, Lee Bowman, Frank Daubitz, Jeff Lewis, Jeff McCurry and Brad Rosselot. The Bears, under first year coach Mark Lenssen, were an improved team and show much promise for the future.

The sisters of Alpha Omicron Pi have had a very active year. An outstanding pledge class once again ran the AOII jail at the Campus Chest. October 1, 1981, our fifteenth anniversity, was celebrated by combining it with Homecoming. Sue Wilson was our Homecoming queen candidate and by winning the pushmobile races, we crowned off the celebration. New officers were elected in December and our Rose Formal was held in the spring. Many sisters participate in activities such as SAPHA, little sis programs, band, plays, collegiate and intercollegiate sports, Mortar Board, Northern Review, Saga, SNEA and others. Also important to us is our annual fund raising project for our philanthropy, the Arthritis Foundation.

The Alpha Sigs enjoyed another fine year. In addition to the usual formals and road trips, the Sigs also provided services for the community. The American Cancer Society benefited from their forty-eight hour raquetball marathon. Other community events saw Alpha Sig brother, Doug "Bogeman" Johns playing Santa Claus for the Ada Elementary School children. Once again, the Sigs showed their athletic prowess — seventeen members of the Ohio Northern football team came from the Alpha Sig house. Despite being on probation and missing a few major sports, the Sigs finished second in the fraternity "All Sports Race". The Sigs were also proud of ranking number two in the grade point averages of all Greek men. This year the Sigs are looking forward to a better year with the added effort of new and returning brothers.

The Gamma Tau chapter of Alpha Xi Delta had another successful year.

Fall quarter saw the Fuzzies busy with twenty-two new pledges. Jill Ringleman, our homecoming queen candidate was elected to the Queen's court. The Alpha Xi's also organized a Bike-A·Thon for St. Judes Children Hospital as a philanthropy project.

Winterquarter brought the sisters much excitement. A campus chest King was sponsored and a "Love Boat" party was sold at the party auction.

Spring quarter was time for formal and the annual Rose Formal was held in Toledo. "Cocktailsfor two" was the theme, and John Thomas was announced as the new sweetheart. Three sisters were also tapped by Mortar Board.

Overall, these activities added up to another busy and successful year for Ohio Northern\$ Alpha Xi Deltas.

Delta Zeta found the school year quite rewarding as a result of much work and effort. The DZ's are involved in many campus organizations and activities such as: Mortar Board, professional organizations, campus Yearbook, Polaris, Northern Review, little sis clubs, and cheerleading. The DZ's main philanthrophyproject for the year was the fourth annual twenty-four hour Dance Marathon to raise money for Gallaudet College for the Deaf. Otherprojects included a Unicef drive and a carnation sale for Valentine's Day. Last year the DZ's took first place during Greek Week by winning many events including Greek Sing and Derby Day. Lisa Labriola was also elected Greek Week Queen. This year was successfully brought to a close with our annual Spring Formal and Parent's Day Tea in May.

The Gamma Delta chapter of Kappa Psi was founded May 20,1920 by Dean Emeritus Rudolph H. Raabe. It was founded with the intention to promote high standards of professionalism on campus. Sixty-two years later the Gamma Delta chapter has upheld these basicprincipales to the fullest. The KY's have helped the Red Cross bloodmobile many times throughout the year. The KY's also had a blood pressure screening clinic and provided alchoholic awareness surveys to the campus as well as the Ada community. Their annual drug trip to Eli Lilly and Squibb topped off the year for their professional activities. KY's can be found in many organizations around campus. KY's hold offices in IFC, SAPHA, and hold seats on Student Senate. The KY's were also very active in **IFC** intramural sports along with all of these achievements. The KY's are unique in the fact that they are the only professional and social fraternity on campus. The KY's held many parties with the sororities and their little sisses. Winter formal and Spring Fling also provided an excellent time for the brothers. The KY's won firstprize for their Homecoming float. The pride of Kappa Psi was shown the most when awarded with the coveted "Dean's Award for Outstanding Service."

#### $\Phi K\Theta$

Phi Kappa Theta had another very successful year, in which "The Rock" underwent many house improvements. The brothers of the Ohio Zeta chapter were involved in various campus activities throughout the school year. Varsitysports such as football, basketball, wrestling, baseball, cross country, and track kept the brothers busy. This year the brothers captured the all-campus flashball championship which is a part of the intramural sports program. Aside from sports, brothers of Phi Kappa Theta were active in IFC, Student Senate, Student Judicial Board, Arts and Sciences Student Council, Industrial Arts Club, Engineering Club, JEC, IEEE, BBB, ACS, Free Involvement Club, Model UN, Tau Beta Pi, OSPE. The annual Pledge Princess Dance, Winter Cocktail and Spring Formal were highlights during the year. With the hope of many new brothers and a growing little sis club, the 1981-82 school year should again be very productive for the Phi Kaps.

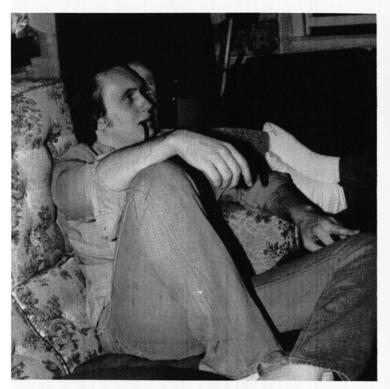

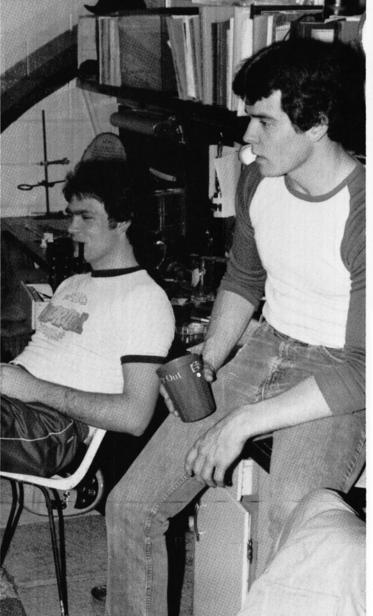

#### $\Phi M \Delta$

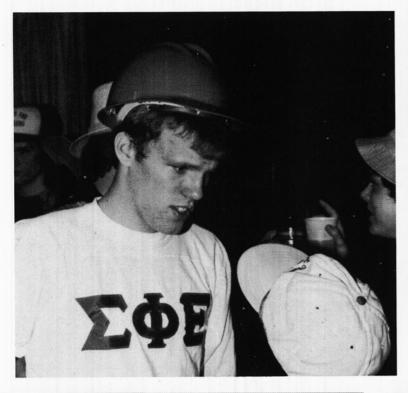

This year Phi Mu Delta held the spotlight once again. The "squirrels" took more than twentypledges. Also our Lion's Pride program brought us thirty-five girls. The lil' sisters do many wonderful things for our brotherhood. They cook for us on Saturday mornings and make us "midnightmunchies" to get us through our studies. The PMD talent show was once again a success due to Brian Driscoll's and Brad Preston's help. Our service projects were very successful. We sang Christmas carols to the elderly at the Hardin County Home and had an Easter egg hunt and lunch for the underprivileged children of Lima. We brought good cheer to many faces at ONU. Our first parties were the Hawaiian party and Mountain Dew. Many alumni joined us at our spring and winter formals. The brothers of Phi Mu Delta will continue to bring ONU the finest in parties, and the finest in Greek life. The next year promises to be just as great if not better.

#### $\Sigma \Phi E$

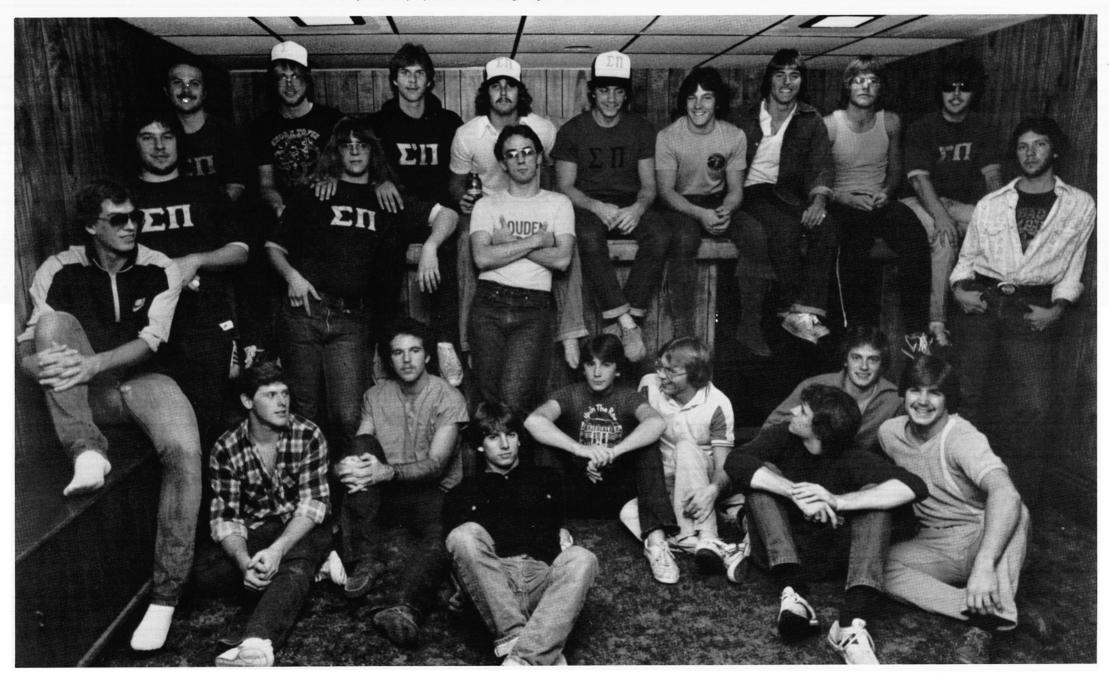

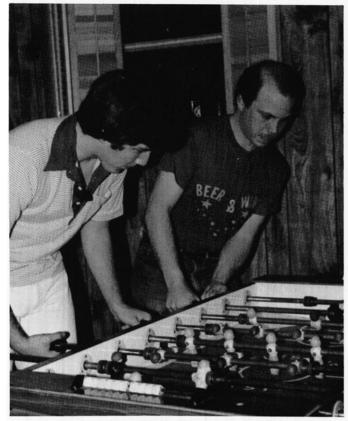

The 1981-82 school year for the Sigma Phi Epsilon fraternity was very busy and productive. Fall quarter saw many activities which included dinners at the house for freshman and an annual Halloween party with the Alpha Xi's. There was also time for a couple of hayrides in the countryside. The Sig Eps participated in Homecoming week and captured first place in the pushmobile races. Winter quarter saw the brothers and their dates enjoying a formal in Lima. Other fun times included a "Hat" party with the Delta Zetas, a "Date" party with the Zetas, a winter cookout and skiing with the Golden Heart little sisses. Many new brothers were pledged during winter quarter and a scholarship banquet was held to honor the brothers with the highest grade point averages. Spring quarter meant pledging new brothers as well as ushering in the annual "End of the World" party. Spring formal was held at Huston Woods and provided an enjoyable time for everyone.

#### $\Sigma\Pi$

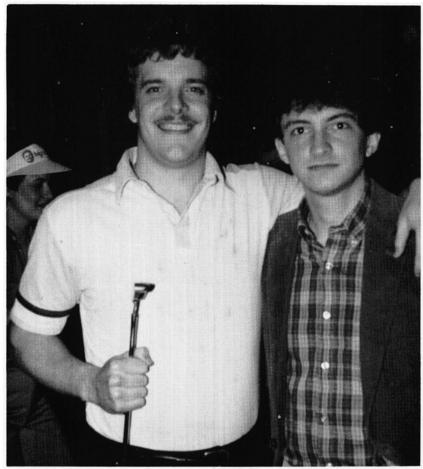

The Zeta chapter of Sigma Pi enjoyed one of its most successful years, with the brotherhood dramatically changing in size and composition. Sigma Pi has become a "young" fraternity due to the large number of sophomores in the house. This youthful composition was enhanced by a record number of pledges which doubled the size of the brotherhood. Despite the increased number of brothers, Sigma Pi is still proud of the closeness of its brotherhood. The growth in numbers further enhances the diversification of the house, increasing the participation in activities. In 1981-82 brothers participated in football, wrestling? track, and had a significant number on the soccer team, including assistant coach Phil Caris. With a growing house and Little Sis program, there was a great amount of time dedicated to social activities. A Cheap Sunglasses party, Halloween party, and Sunrise party were just a few of the memorable times. The Orchid Ball, the annual formal, was held in January.

## OX

The Zeta Kappa chapter of Theta Chi was once again actively involved in campus life at Ohio Northern. The Brothers participated in IFC, intramural sports, band, University Singers, theatre productions and various honorary organizations.

Spring Quarter the Theta Chi's placed first in Greek Week. They also held their 7th Annual Twenty-four Hour Marathon for the Western Ohio Lung Association, which was successful despite the 'annual' rainy weather.

Lesa Handyside was named the brothers' Dream Girl at their Spring Formal

## ZTA

Zeta Tau Alpha had a very rewarding 1981-82 year. Things started off with a pledge class during Fall quarter. A cocktail party, including both big brothers and sisters was held to honor the new pledges at this time. Homecoming was a busy time for the Zetas and it began with an Open House for the alumni. Zetas participated in the float competition and the pushmobile races. The highlight of Homecoming came for the Zetas when Donna Napier was crowned Homecoming Queen. Many activities in which Zetas are involved are: Mortar Board, Yearbook, Student Senate, Varsity and Intramural sports, professional organizations, cheerleading and other campus organizations. Winter formal was held in Dayton and was followed by an annual Parent3 Day Tea in the spring. Scholastic awards were presented at the tea. Other highlights of the year include the Zetas who were chosen as fraternity sweethearts: Terry Feeney as sweetheart of Alpha Sigma Phi and Marcia McIntyre as Sigma Phi Epsilon sweetheart. Zeta's Big Brother organization, "The Brothers of the Blue and Gray," also added much excitement to the year by giving parties and taking many new big brothers.

## MOOT COURT

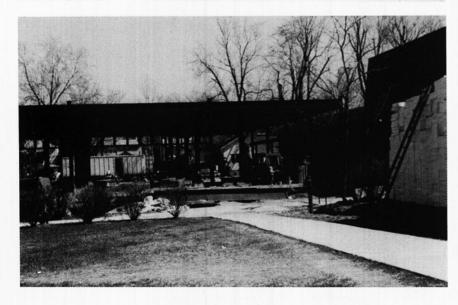

Students initially become involved in the Moot Court Program as second-year students through the Celebrezze Competition, named after distinguished alumnus. Judge Anthony J. Celebrezze of the Sixth Circuit United States Federal Court of Appeals, structured to develop abilities in brief writing and oral advocacy. In the fall quarter these students thoroughly research a complex and relevant fact situation and then write Supreme Court quality briefs based on their research. During the next quarter they argue both sides of the problems against other participants before judges composed of professors, practicing attorneys and senior Moot Court members. Four students are selected through a try-out competition in the Fall of each year to argue on the National Moot Court team. Preliminary to the National Moot Court Competition, members argue at the Sixth Circuit LSD/ABA Competition in the spring. National members research, develop arguments and write Supreme Court briefs submitted to their regional "court" for evaluation followed by a presentation of their oral arguments. Preliminary to the National Moot Court Competition, members argue at the Sixth Circuit LSD/ABA Competition in the spring. National members research, develop arguments and write Supreme Court briefs submitted to their regional "court" for evaluation followed by the presentation of their oral arguments. Through the completion of the Celebrezze Competitionor any interscholastic Competition students become members of the Board of Advocates and are eligible toparticipate in at least six competitions including the Fall Nationals, National Client-Counseling. LSD/ABA Spring Arguments, Jessup International Competition. University of Buffalo Tax Problem and Intra-Ohio Competition. In 1975-76 the Moot Court Program was approved by the National Association of the Order of Barristers for charter membership. Together with 60 other member schools the chapter provides an honorary for outstanding moot court members on the basis of achievement and contributions in the advocacy field. Schools having chapters in The Order include those nationally recognized for outstanding moot court programs and for successful participation in regional, national, and international moot court competitions.

At this point in the yearbook I wish to apologize for any and all mistakes you may find throughout this book. Also to anyone whose name is misplaced with regard to alphabetical order — Sorry. To the faculty members whose pictures arrived late, I am hoping that you find it in your heart to forgive us forplacing you in the undergraduate section, but think of it as a compliment — The wish to be young and in college once again. To the law student who wasplaced in the faculty section, again I ask you to accept my apology. There are other mistakes in this book, but don't be too critical, afterall we tried to give you what you asked for, namely candid shots of as many different people as possible. We hope you enjoy this year's book, and I wish the next year3 staff much luck.

I wish to take this opportunity to thank a very special person here at Ohio Northern University without whose guidance, strength and determination our tapestry would not only be missing a thread but it would have come unravelled.

Throughout his years at Ohio Northern, President Freed has given of himself in such a way as to instill a unique pride within each student. President Freed always works for the good of the students, and I am sure I speak for the entire student body when I express my sincerest gratitude for all his efforts.

President Freed has inspired us all with his everlasting vision and an everchanging view of Ohio Northern. And it is therefore with love that we extend our thanks and appreciation for all this special person has done for Ohio Northern University.

A tapestry indeed. With the proper extension of the imagination one can see the relationship we have tried to make between a tapestry and ONU. As Freshmen, the basic materials were laid out. The cloth, thread, and the artist can be tied to the education, instructors and the student. Sophomores have a certain degree of curiosity about them and they begin weaving their work. Juniors now put their trained and inquisitive minds to work, answering the questions of their lives. The Seniors finish up the loose ends and tie the final knots of this part of their lives. As the finishing touches are completed and learned adult looks back at the tapestry and sees that they have completed a great deal. They have learned to deal with friendship and loneliness, enlightenment and confusion, serenity and turmoil and everything that lies in between. Realizing now, that the tapestry would not be complete without all of those elements. The techniques were different, and the final products varied with each creator, yet the ideological results are the same. They completed this phase of their lives and it is time to move on. As I do so, I would like to extend my gratitude to the members of my staff and especially to Anne Colton for all her knowledge and assistance. Also a special thanks goes to Jim S. for his help in getting the '82 Northern Yearbook off the ground. With all its problems, my staff and I hope you will enjoy the yearbook.
